1. Cut out the countries on page one, fold in half twice and place in a hat.
2. Ask your friends to draw a ticket from the hat for a donation.
3. Keep a note of which country each individual draws, in the boxes below.
4. Enjoy the games!
5. After the final, award the winning individual with a prize. This could be a novelty prize, or a percentage of the donations (whichever option you choose, you should make this clear from the beginning).
