

MY CHALLENGE SWEEPSTAKES

TICKET
PRICE

£

1. Choose the prize

People will want to know what they could win, so pick the prize and write it on the sheet. The prizes could be anything from a bottle of fizz, a voucher, or even a percentage of the donations.

2. Set the price

The higher the price the more you'll raise, but you don't want to set it so high that people are priced out of taking part.

3. Let the world know!

Tell family, friends, and colleagues know about the sweepstake to make it competitive. Pin the sheet up in the office and post it on your social media so that people can comment their choice of time.

4. Get others involved

Use the opportunity to gather cheer support on the day of your event. Don't forget to check our website to see if we're in the charity village on the day!

5. The finish line

When you've finished, announce your official time and present the winner with their prize!

MY CHALLENGE SWEEPSTAKES

How long will it take _____ to cross the finish line?

- Please donate to support Lincs & Notts Air Ambulance.
- The individual with the closest guess to my official finishing time will win _____.
